

Credit Card Payment Authorization Form

I authorize Ubiquity International, LLC to charge my credit card as indicated below.

If you wish to change this authorization you must notify UI in writing and in sufficient time to cancel processing. A minimum deposit of \$1000 per person is due at the time of application.

If you are paying for more than one participant, please indicate additional participant names below. The amount charged to your credit card will be calculated appropriately for the total number of participants for whom you are paying.

If a credit card is not approved, UI will notify you and ask for alternative payment. Credit card refunds are by credit card as per credit card company rules. Check or money refunds are by check. For all refunds, please allow 30 days for processing.

Refund Policy

A \$1000 deposit is due upon application; final payment on **Final Payment due date**. If you cancel before final payment due date, you will receive a refund of payments minus \$500; after that date, no refund is available (however, depending on the circumstances, the Travel Insurance may cover you.)
